2020+ Dodge Charger Pursuit
Slide Out Trunk Drawer
p/n CGR20-TD

Remember to remove spare tire & Jack before installing

Always!

- Read all instructions before installing any Lund products.
- Check for obstructions (Wires, brake lines, fuel tank, etc.) before drilling any holes!
 - Use hardware provided with install kit

Installations Steps:

1.

Form the wire on the 1/4" x 1" fastener. Feed the formed wire with the 1/4" x 1" fastner through the large obround to small hole located on the support beam near the rear of the trunk. Tuck wire out of the way. Repeat for other side.

(See Fig.1 and 2.)

2.

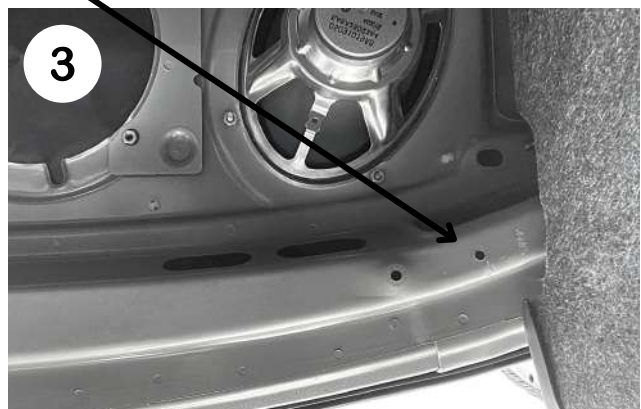

Install (2) 5/16" x 18 x 3/4" Bolts into support beam by trunk lid area.

(See Fig. 3)

3.

Attach the complete assembly to the side of the trunk using the provided 1/4" x 1" bolt with wires, flange nuts and washer for the rear and 5/16" x 3/4" bolts, flange nuts & washers for the front. Repeat for both sides. **(See Fig. 4)**

Installation Tips!

1.

Two People makes the install much easier. One to hold drawer area and the other to attach hardware.

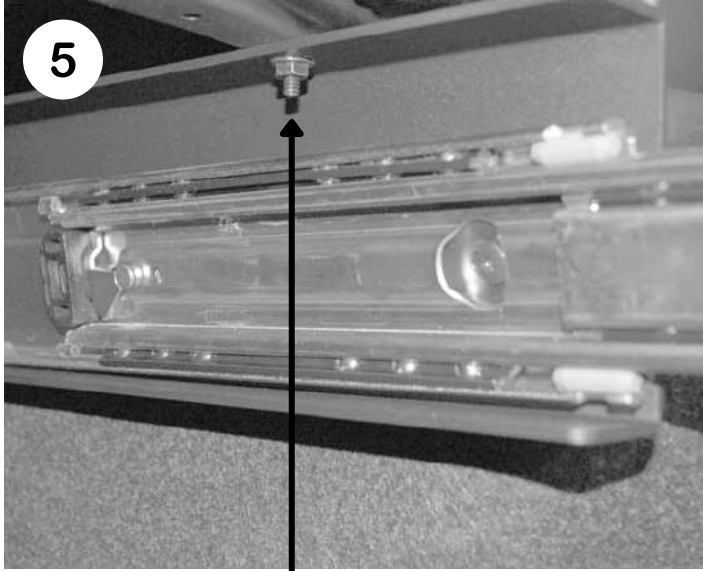

2.

Removing the back seat gives you better access for a easier install.

*****Attach with Bolts, Flange Nuts and Washers**
