Canon i70 /i80 /i90 /i100 Printer Mount

The Canon Printer Cradle is designed to hold any of the following Canon printers, the i70, i80, i90 or i100. The mount is designed to attach to a FP-74-L.

Attaching the mount to a FP-74-L:

Attach the mount to a FP-74-L with the 1/4-20 UNC x .75 flat head machine screws, flat washers, and 1/4-20 nylon lock nuts that were provided in hardware bag.
See figure 1.
