PRBKT-EP590
Epson EP590 Printer Mount Installation Instructions

Printer retainer bracket

Paper retainer

Main bracket

Paper guide

1. Remove the printer retainer and paper retainer from the main bracket.

2. Using the main bracket as a template, mark four (4) holes on mounting surface and drill for 1/4-20 bolts.

3. Attach the main bracket to the mounting surface with (4) 1/4-20 x 3/4" bolts provided.

4. Place the printer in the main bracket and re-install the printer and paper retainers.

5. Attach the power and data cables to the printer.

6. Adjust the paper guide for the forms being used.

7. Check for proper operation.
